Safety Trainer Commercial General Liability

CASI Safety trainers fulfill a crucial role in the Canadian marketplace allowing the ATV & UTV industries to seek improvement for their sport by providing core skills training for their current or new participants. Improving skills relevant to their industry can lead to reduced accidents, injuries and deaths.

From an instructor's perspective there is great pride in improving skills and safety of participants in their sport. However, this fundamental task does come with a risk to the sole proprietor, partnership or corporation of the trainers. OASIS is pleased to provide insurance solutions for trainers:

- Commercial General Liability (CGL)*
- Director's & Officer's coverage if you are a Non Profit Group
- Optional Accident Benefits coverage for participants.

**Our CGL policies are meant to be utilized in conjunction with appropriately signed waivers.*

Commercial Liability

\$5,000,000 CGL liability

Coverage includes:

- Bodily Injury & Property Damage \$5 mill
- Products & Completed Operations \$5 mill
- Tenants Legal Liability \$1 million
- Fire Fighting Expenses \$1 million

Discounted rate to reduce liability coverage to \$2,000,000.

10% Discount for CASI safety trainers.

Additional Trainers may be added to the policy at a reduced premium. (i.e. husband and wife both instruct or a club that has 3 trainers)

Upgraded Coverage - This policy has a participants' exclusion. If you would like to purchase a **broader coverage, subject to a surcharge** we will protect you for defense and liability if the plaintiff attempts to circumvent your approved waivers.

Are you a Non Profit Organization? We offer very affordable Directors & Officers (D&O) cover.

Optional:

Accidental Death & Dismemberment

As an additional coverage option you may purchase an AD&D policy for your students. These injury payments would apply despite the mandatory signed waivers.

Up to \$25,000 coverage for AD&D based on a schedule of benefits provided.
